kimberly's story

Launched in 2002 with yoga pants and tees (where TranquiliT(ee) originated), Kimberly dreamed of a chic and comfy mix-and-match clothing line that transitioned from yoga to bookstore browsing to café dates.

Next she began designing her own pieces such as wraps, tunics, and dresses to wear over yoga staples. Upon discovering bamboo fabric, the collection became eco-friendly and is now locally sewn.

Kimberly is an activist, author, and artist with a passion for fashion and making a difference. A portion of all sales benefit Tranquil Space Foundation and Farm Sanctuary.
